

## Patriotic Entertainment Friday, July 16

### Stampeo Arrange to Assist Menial Soldiers, Widows and Orphans

As will be seen elsewhere in this issue the Stampeo committee has decided to enlarge the Patriotic Entertainment to the given tomorrow evening—Friday. Besides Mr. Rankin's illustrations of the Panama Exposition and Canal Messrs. Lambert, Matheson and Dallion of Calgary have agreed to be present to render songs and recitations. After the entertainment a dance has been arranged for which Mrs. Trainor and her orchestra has been engaged to supply the music. The proceeds of this entertainment is to go to the menial soldiers, widows and orphans of the soldiers.

It is only fair to state that Mr. Rankin has been invited here and to give his services for the good of the good of this noble cause, and there is no doubt that the people of this town and district can be depended upon to do the best. All making this entertainment a success as they have for the Red Cross and Relief Corps.

The price of admission is only 25c. for adults and 15c. for children. An extra charge of 81 for "entertainment will be made for the fee."

## BASEBALL

The baseball game on Wednesday evening last week between the old rivals of Strathmore and Gleichen is generally admitted to be one of the best and fastest games ever witnessed on the local diamond, as the result of 2 to 1 indicates, in the favor of Gleichen. Although some of the fans raised the objection that they recognized in the visiting team some they had seen play last at Calgary, the players have raised no objections on this point. All admit that it was a fair, clean game all the way through. Umpire Bert Lyons was very fair in his decisions and there were few objections to his rulings. Jerry Anderson picked the best game we have ever seen here and seems to hold his head better as he grows older, and evidently enjoys the girls rooting more than ever. Wilson, of course, is in his usual form and pitched the game that he put over to control on. McNabb made Strathmore's only score, while McArthur and Doherty were responsible for the two runs that won the game for Gleichen. The line-up was as follows:

Strathmore	Gleichen
Kennedy	1b
Johnson	a.s.
R. Anderson	c
McNabb	2b
D'Eveaux	3b
McNeil	ss
McArthur	lf
W. Gray	cf
J. Wilson	rf

After the game the visiting team was entertained at a very enjoyable dance in the Opera House, the excellent music being supplied by the "Big" Engles. If proved to be most successful.

If more liquor will be drunk under Prohibition than under license, why is it that the brewers all favor it? It must be on account of their kind hearts.

R. A. Bird, our local photographer, got a great number of excellent photos of the Stampeo which he is selling at reasonable prices.

## I.O.O.F. Installation

A very interesting meeting of Prairie Lodge, No. 44, I.O.O.F., was held on Monday, July 12, when District Deputy Grand Master Harris of Banamu visited the lodge in his official capacity and installed the following officers:

V.P.G. R. A. Brown  
V.G. Frank Scott  
J.P.G. MacLean  
Rand F.S. R. P. Unbride  
Walter O. A. Harvey  
O.G. Wm. Sawyer  
I.G.S. J. E. Ostrander  
R.S.N.G. J. L. Laycock  
Conductor E. E. Holland  
Organist R. A. Brown

After the installation the brothers did ample justice to a buffet supper, after which they informally enjoyed themselves with music and carols and a discussion of the brightening outlook for the ensuing term.

## Vulcan Stampeo

Vulcan is to have a Stampeo on Wednesday, August 11th, for which a special program has been arranged, including bucking contests, maverick race, steer riding and rope riding. Indispute, Ford police men, cowboys and cowboys.

That this will be the best one yet staged in the South-Western province is testified by the fact that the management are making efforts to secure such riders as Mr. E. LeGravelle who won the championship at Gleichen this year. The new grounds and race track will afford splendid accommodation and expected for the crowd that will gather in Vulcan that day. Arrangements are under way with the railway company to have special morning and evening train service and no effort is being spared to make the Stampeo in every way comparable with the best. \$2500 is the amount of the purse. Particulars regarding entries, etc., may be had from the Secretary, Stampeo, Vulcan.

## LOCAL AND GENERAL

J. E. Ostrander, farm instructor on the Blackfoot reserve, has some things to say about the "If one can which he may be justly proud of. He has already cut one crop of alfalfa and the second crop is now five inches, this from last year's seedling. He also has a fine stand of this year's seed of alfalfa, and has a stand of clover that is doing well which he put in along with a nurse crop of wheat in order to show the Indians what he could do. He has a big field of wheat, which has a very dense stand and is now up over three feet and beginning to head out. This was put in on last plowing and he invites any one who doubts that a good crop cannot be grown on land plowing to go over and see what he has accomplished. He maintains that the success of fall plowing is entirely due to proper cultivation. Last fall he plowed in his seed for one day and the next day harrowed and poked it. He followed this system up over the entire field and it quite satisfied with the result. He also has a big crop of oats adjoining that is heading out and well worth going to see.

Mrs. R. H. Fries returned on Monday from a week's visit to her home in Winnipeg.

## K. of P. Elect And Install Their Officers

The following officers were elected for the ensuing term in Golden Jubilee Lodge No. 35, K. of P., on the evening of July 8th and installed by District Deputy Grand Chancellor Farquharson assisted by Past Chancellors Lindsay and Payne:

C. C. F. Jones  
V.G. C. B. Awey  
Finitio, J. L. McMillan  
M. of W. E. E. Holland, P.C.  
M. of A. I. E. Simons  
K.R.S. and M. of F. H. D. Mc Kay  
M. of E. N. W. McMillan  
I. G. J. C. Barron  
O. G. A. N. Lindsay

After the installation the brothers partook of a sumptuous repast and the newly installed C. C. F. Jones treated the brothers to C. C. special.

All the newly installed officers made short addresses as well as the acting grand officers and to quote the remarks of one of the grand officers, Golden Jubilee is a number in every respect. A little over a year old it has a membership of 74 fully paid up. The lodge is going ahead regardless of hard times, 14 new members being added since Jan. 1. The financial standing of the lodge is excellent. Golden Jubilee since its institution having paid out in the neighborhood of \$900 credit benefits. In one instance a member of the order is engaged to a lodge in the United States and a stranger to almost every member of Golden Jubilee took sick while in Gleichen and was down and out by no fault of his own. Golden Jubilee cheerfully saw him through to the extent to the extent of \$200 and the local lodge has the funds and will as cheerfully spend the same amount or more if necessary if another K. P. stranger should require assistance.

It is not necessary to remind our readers that Golden Jubilee holds the championship cup for proficiency in carrying road work for the province of Alberta, having captured the same in competition against all comers when our lodge was 12 months old and among the comers were lodges 12 and 15 years old.

## Coming Events

Aug. 19-29-Gleichen Exhibition.  
Every Monday-Oldfashions.  
Every Thursday-12 of 9.  
Monday-Matinee of 9.  
Every night at Cal. City.

Those business with prohibition tour? The book business.

Mrs. H. Davis, of Calgary, is visiting her sisters Misses L. and E. Davis.

The best souvenirs of the Stampeo are obtainable at R. A. Bird's photo gallery.

Wm. Collins presented the Cal. last Sunday morning with a fine new of new potatoes that recently made his address in the city. He has a long time. They were equally as good if not better than those that have been imported. Some of the potatoes were as large as a man's fist. "Patly" you need never fear of being put of a job so long as you can grow good Irish murrays like those you gave us.

## Majorville News

(Our own correspondent)

Good weather, good crop prospects, consequently the farmer is optimistic.

Messrs. A. Plant & Sons, have a bunch of steers for \$7.50 Hill. Can (\$1100) eleven hundred dollar check, keeping, my boy, helps some.

We are sorry to note that Mrs. John Long has been very unwell for some time. Dr. Stanley of High River has been in attendance on her and latest accounts is she is improving fairly well.

Messrs. Rogers motored to Calgary last week, accompanied by their lady friends, taking in the Calgary Exhibition and some side attractions. They had a lovely time.

Miss Nellie Ash has gone into the cattle business. Talk about your cattle kings—cattle kings sounds better. As a broncho buster and rope twirler, Miss Ash promises to make good. We wish her much success in her new venture. Oh, you Smoky!

Mr. Ebdale is very busy lately settling his house in order. He expects to move to Calgary shortly, who is at present in the Alderside district. They will be at home to friends after the 30th.

Miss Jessie Rupp and Miss Lobd, teachers in the Pioneer school, have returned from Banff and Laggan where they have been spending their holidays. They say they enjoyed their outing immensely. The mountain scenery and a dip in the "cave and basin" is certainly refreshing after spending some time on the laid prairie.

The boy stoop on the picnic deck "And without to 'see her home'." "No sir," she answered very quick, "I'm pretty poor alone."

"No baby more or three-legged cat will 'see' his behind."

A horsehead guy, with checking gall, None of this stuff for mine.

"Give me a charger firm and true, With steel sticking in his side. This is the kind of horse I ride. Of my, but he's a peach."

"Through life I'll chase my company On joy rides let your life. Some day, of course, I hope to be Some fellow's champion."

## Temperance Meeting

The Rev. Dr. Lloyd, Principal of the Saskatoon Anglican College, who is to speak on Prohibition in the Anglican Church here, Friday July 16, at 8 p.m. is a man who as soldier, pioneer, missionary and educator, has had a wide and varied experience, and is a speaker of magnetic personality. Being well acquainted with his subject, and with temperance legislation in the different provinces of the Dominion, his address is sure to be interesting, pleasing and instructive and worthy of making an effort to be present.

If prohibition does not prohibit, why are the liquor people fighting it so?

## All American Girls Base Ball Club Coming Again, July 23rd

The All American Girls Base Ball Club has been invited to play a return game at Gleichen, on Friday July 23rd, at 4.15 p.m. sharp. This is the same good team that played here last year, with all the old fans and two new ones. Last season they only had one girl pitcher and had to use a man for part of the game, this season they pitch a girl the entire game, using no man pitcher at all. Miss Elizabeth Pahl the added attraction is the finest girl pitcher in the world today, being young and with a great future before her. Miss Pahl being a small girl you would wonder where she gets such speed, but she pitched a 5.6 in the game at Regina the other day, striking out seven of their heaviest hitters, and letting the boys down with this, Miss Julia St. Clair is the other one. Either one of these girls will work for the entire game or if the game is a hard one each will take a whack at the boys. Carrie Nation on first is the best in the world today and Harriet Murphy who plays on last week will occupy the 2nd sack. The new field is fast so you are sure of seeing a good fast game, as the boys are out for revenge, being defeated by the girls last season. This will be the best game seen in Gleichen this year and anyone missing it will be kicking themselves. The game is at Gleichen. The date Friday July 23rd. Time 6.15 p.m. Admission 50 cents. Come out and root for the home boys.

## Warning To Picnickers On The Reserve

The Indians on the Blackfoot Reserve are complaining very much that some of the auto and driving parties who go down to the river for picnics are doing a great deal of damage to their trees and bushes in breaking off large branches laden with berries and otherwise destroying the trees.

The visitors should remember that the reserve is the private property of the Indian band and they should be careful not to destroy or remove anything as they would if they were on a regular picnic.

In fact people have no more right to go on to the reserve for a day's picking berries than they have to go to any one's garden and pick and destroy their current bushes.

If it is the damage does not cease it will result in this trespassing on the reserve being forbidden and thus many people will lose this privilege simply because of a few people who do not know how to behave themselves.

It should be remembered that picking fruit from the soil is in the adjoining towns forms part of the livelihood of our Indians therefore people should not willfully destroy this source of income.

Mr. and Mrs. J. C. Ostrander left on Friday for the Police Department and will visit many other interesting points before returning home. Mr. Ostrander's position as manager of the Bank of Commerce is being filled by Accountant Ball.

You will be on time for the entertainment Friday, July 16th.

## Letter From Gleichen Member of 31st Bat.

Diglate Camp, Schornfield, Kent, June 5, 1915.

Here we are at last. Some trip. The weather was beautiful but the way but the foot was absolutely rotten. Some of the boys proved very bad sailors and some got very sick as we were chased by a submarine and two torpedoes were fired at us and one man from Calgary, named Sykes went crazy and jumped over board and drowned. This is a great camp, 100,000 troops are camped in this vicinity. We are just 40 miles from the firing line and 21 from France. The Canadian base hospital is here too. All Princess Pals wounded are lying here, they have some awful stories to tell and are and are pretty badly cut up.

The government rations are good and every man has a special allowance of 841. (110) per diem which buys any extras he may like, eggs, canned fruit, etc. I must say the training is more strict, up at 4.30 a.m. and nothing but drill and bayonet fighting until 5 p.m. when they finish for the day.

We hear that the Canadian troops are being saved for the layover charges. They are ship husky big fellows and the Germans when let loose will let the Germans crumple up like paper.

You will see by the post card enclosed that I tried to write you both at Quebec and when we landed at Plymouth but could not get it away as we were not allowed to leave the train or boat.

Remember me to all enquiring friends and drop me a line telling all the news.

I will keep you posted from time to time as to our doings for rest assured the 31st will cover themselves with glory.

Yours truly,

Geo. Wakefield, No. 7062, 31st Bat. C.O.E.R. 6th Brigade, Schornfield, Kent, England.

On board H.M.S. Carpathia, Tuesday morning Quebec.

Dear W. P.,—

Salutations and best wishes to you and yours, including all enquiring friends. Great receptions at all stations via C. N. R., G.T.R., C. P. R. and back to home.

Will keep you posted as to doings of the 31st from time to time. Guess it will make interesting reading to our old friends.

Will write as soon as we land.

## \$200 Pony Race

The sum of \$200 has been placed in the hands of E. C. Rose of Cluny for a half-mile pony race between Forsyth's "Kitty" and Bolwer's "Franny" on the Gleichen race track at 7 o'clock Saturday evening, July 24th. It is to be a straight heat and the money is to go to the winner.

Would it hurt, your business if the \$12,000,000 spent in liquor were spent in food, clothing and shelter?

## THE GLEICHEN CALL

W. PARK EVANS, PROPRIETOR

Published Every Thursday In The Heart of a Wonderfully Rich Farming and Ranching District.

SUBSCRIPTION, \$1.50 Per Year. Foreign Countries \$2.00

Exchange Must be added to Checks

THURSDAY, JULY 15, 1915

Last week the CALL was a day late and two weeks before it was published a day early. This is really most scandalous. The more so as we took a holiday entirely twice in eight years, but otherwise never failed to come to the front every Thursday. Now, we must explain our recent conduct. Of course, no one complained that they received the CALL a day early. It was published early by request of the Stampede in order that our readers might have the latest information of the great advent. Last week our reason for being late was simply that we desired to furnish our readers with an exact copy of the proclamation of polling divisions of this district, which it was impossible for the returning officer of this big district to supply until he had completed his tour late Thursday night. There is a reason for all things, and we regret the trouble we put our readers to in telephoning, letter writing, etc., but believe it proved to their advantage.

The Gleichen Exhibition is the next great Gleichen event, the date for which is set for August 19th and 20th. Already inquiries for information are being made and there is no reason why this year's should not excel all previous records.

## The Brave at Home

The maid who binds her warrior's sash  
With smile that well her pain dissembles,  
The while beneath her drooping lash  
One starry teardrop hangs and trembles,  
Though heaven alone records the tear  
And fame shall never know her story,  
Her heart has shed a drop as dear  
As e'er bedewed the field of glory.

The wife who clads her husbands sword,  
'Mid little ones who weep of wonder,  
And bravely speaks the cheering word,  
What though her heart be rent assunder,  
Doomed nightly in her dreams to hear  
The bolts of death around him rattle,  
Has shed as sacred blood as e'er  
Was shed upon the field of battle.

The mother who conceals her grief,  
While to her breast her son she presses,  
Then breathes a few brave words and brief,  
Kissing the patriot brow she blesses,  
With no one but her sacred God  
To know the pain that weighs upon her,  
Sheds Holy blood as e'er the sod  
Received on Freedom's field of honor!

—THOMAS B. REED, in Canadian Pictorial.

A special feature at the Gleichen Fair this year will be an exhibit by the Dominion Government Experimental Farm at Lethbridge. Already 50 by 9 feet of space has been arranged to accommodate this exhibit, which it is said will be exactly the same as produced in Calgary, and expert attendants will be in charge to answer all questions relative to the exhibit.

Next Wednesday the vote on the new Liquor Act is to be voted on, and throughout Alberta every qualified voter will have an opportunity to secretly place himself on record as to whether or not he is in favor of the new act. Many columns of advertising have appeared in this paper concerning the question, and neither those in favor or those opposed to the act have been refused space in which to express their opinions. It is now for each voter to decide whether he believes the present law or the proposed act will be to his own benefit and that of the province. It is a serious question to decide and one each individual should not allow anyone to persuade them in. True, the act is long drawn and difficult for many to interpret, yet the responsibility lies entirely with the individual voter and not with his friends. The CALL believe that our readers have sufficient intelligence to vote on this important question without this or any other newspaper or person even offering a suggestion.

## Buy an Irrigated Farm From The CANADIAN PACIFIC RAILWAY BECAUSE:

Irrigation makes the farmer independent of rainfall, and insures good crops, not occasionally, but every year.

Irrigation makes possible the successful culture of alfalfa, the king of fodders, which insures best returns in dairying and mixed farming.

Irrigation means intensive farming and close settlement, with all the advantages of a densely populated agricultural community.

Irrigation in the Canadian Pacific Railway Irrigation Block is no longer an experiment, the year 1914 having absolutely demonstrated its success wherever intelligently applied.

You can buy irrigated land from the Canadian Pacific Railway at prices ranging from \$35 to \$75 per acre, with twenty years to pay and the privilege of a loan of \$2,000.00 for improvements (6% interest); no principal payment at end of first or second years and no water rental for first year. Assistance is also given in supplying stock in approved instances.

This is the most liberal offer of irrigated farm land on record. Get full particulars from

## LOCAL and GENERAL

Pte. Ernest Keyte, formerly clerk  
at the Gleichen Hotel, spent Sun-  
day with his friends here.

A brother of W. F. Durston ar-  
rived last Friday from Dakota and  
will spend some time visiting on  
his farm at Queenstown.

Thos. Plante sent the CALL a few  
new potatoes from his garden Sat-  
urday that certainly are a credit to  
to himself and his garden.

Mr. and Mrs. Thos. Henderson  
left last Friday to attend the Pana-  
ma Exposition and will be absent  
about a month. They took in the  
Shriners excursion.

Agent J. A. McDonald of the C.  
P. R. accompanied by his wife left  
with the Shriners excursion last  
Saturday for the Exposition in Cal-  
ifornia and will enjoy a month's  
holiday.

There are two essentials to this  
traffic—booze and boys. The men  
who votes for the sale of booze has  
no kick coming if he finds that he  
is also supplying some of the boys.  
Edmonton Daily Bulletin.

P. J. Umbrite started cutting his  
alfalfa on Monday, which is about  
three feet high where he irrigated  
last year, the balance of the field  
being much lighter but a very  
good stand. He seeded this field  
only last year.

The licensed bar-room is no cure  
for a "blind pig." During the  
first seven months of the year 1914  
there were 428 convictions for the  
illicit sale of liquor in the province  
of Alberta and only 368 licenses  
granted; showing that there were  
more prosecutions for the illicit  
sale of liquor than licenses grant-  
ed.

P. J. Umbrite has received a pos-  
tal card from a friend of his now  
visiting the Panama Exposition  
showing the Canadian buildings.  
The writer congratulates him on  
living in a country in which such  
wonderful things are to be seen and  
produced. The writer has never  
been in Canada but remarks that  
the building and contents he con-  
siders the very best at the exposi-  
tion.

John Finnigan as usual has a  
very fine garden in the west end of  
the town this year, but, perhaps,  
the most interesting product is  
some strawberry plants he put out  
this spring which are now bearing  
as fine a lot of berries as anyone  
would care to look upon. They  
are fine big luscious looking berries  
and attract the attention of all who  
go by. His many varieties of veg-  
etables are doing well, especially his  
cauliflower, cabbage, tomatoes, par-  
snips, carrots, beets, etc.

Agent Goodernum has one of the  
best gardens at the Indian Agency  
we have seen this year. His veg-  
etables, flowers, vines, trees and  
lawn could hardly be equalled any-  
where, while his currant, gooseberry  
bushes and strawberries are really  
producing wonderful crops. He  
says that many of the Indians have  
gardens that are equally as good as  
his this year and that most of them  
are keeping them free from weeds.  
In fact some of them might make  
the white man envious.

Farmers in the vicinity of the  
East Arrowwood creek have ob-  
tained the consent of the govern-  
ment at Ottawa to open a new road  
at the Bow river bridge, running to  
a coulee southeast of the present  
road, which will enable them to  
reach Gleichen over a much better  
grade than that now used and  
known as "Little Axe hill". The  
farmers are doing all the grading  
themselves, while the tradesmen of  
Gleichen are subscribing sufficient  
money to erect two small bridges  
required to complete the new road.

Gleichen never had such fine and  
so many vegetable and flower gar-  
dens as this year. Every one of  
them are looking remarkably well  
and most of them are being kept  
free from weeds which certainly is  
a very difficult task this year owing  
to their rank growth. It is well  
worth one's time to take a stroll  
about town to see the gardens.

## WHO AM I?

1. I was born of Hysteria—my heart is cruel—my eyes are blind to justice. I glory in jails. Intimidation is my best friend.
2. I dethrone reason, but have no brains. I breed hatred, strife and bitterness where peace and friendship should reign.
3. You find my brethren in many small towns, but never in large cities, and where we are there is always trouble.
4. I make a great noise but never tell the truth. My tongue is dipped in gall. I take much but give nothing in return but deception, fraud and failure.
5. When I speak Fanaticism is glad, Oppression shouts for joy and Freedom weeps.
6. I feed upon false statistics, garnished by imagination and seasoned with hypocrisy.
7. I cause bankruptcy and devour the substance of others wherever I go.
8. I have turned ministers of the gospel from true labors into the crooked paths of politics, greatly impairing their influence with the masses.
9. I weaken the weak and destroy the strong. I promote temperance with a policeman's club.
10. I breed sneaks, liars, hypocrites, and petty criminals. The bootlegger is my darling offspring. This is why I prefer him to the legitimate hotel-keeper.
11. I rob the province of revenue. I increase the taxes. I deprive the real estate owners of rents. I am a friend of the mail order business.
12. I AM THE PROPOSED LIQUOR ACT.
